

IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF NORTH CAROLINA  
WESTERN DIVISION

Case No. 5 :21-cr-00176-M

UNITED STATES OF AMERICA,

Plaintiff,

v.

OMAR WILSON,

Defendant.

ORDER

This matter comes before the court on Defendant's pro se motion for reduction of sentence [DE 54]. Defendant asserts that he received a "one-point enhancement on 11-15-16 for a small amount of marijuana," and asks for a reduction based on an "executive order ... signed in May 2023." A review of the record reflects that Defendant was scored one point in a criminal history computation for a possession conviction in November 2016. PSR ¶ 28. Defendant's criminal history points totaled 16 for a criminal history score of VI. *See id.* ¶ 30. Even if the court were to reduce the total by one point, it would still result in a score of VI. *See* U.S.S.C. § 5.A (thirteen or more criminal history points result in a score of VI). Accordingly, the court finds no basis on which to grant Defendant's request, and the motion is DENIED.

SO ORDERED this 12<sup>th</sup> day of August, 2024.

RICHARD E. MYERS II  
CHIEF UNITED STATES DISTRICT JUDGE
